Hatchet Final Project

Project Due Date: _____

Description: You will be completing a plot diagram for the entire *Hatchet* novel. This diagram will include the exposition, rising action, climax, falling action, and resolution of the story. It will also include Brian's character traits as he changes throughout the novel. There should also be illustrations showing events from the diagram.

You will be graded on completion and quality of work. It should have color and be neat. This assignment should be completed on paper larger than 8.5x11 inches. It should tell the complete story of *Hatchet* in the form of a plot diagram. SEE RUBRIC ON BACK.

Requirements:

Create a plot diagram* of *Hatchet*:

In your exposition, you should introduce Brian (age, looks, etc.) at the beginning of the book, and describe the setting of the plane his flying in.

In the rising action, you should list at least 10 events that occur between Brian being on the plane and the climax.

Your class will work together to determine the climax of the story.

In the falling action, you will need to list 6 events that occur between the climax and the resolution of the story.

The resolution of the story should include a short summary of the epilogue chapter of the novel.

*all events should be written above of the plot diagram line

Characterize Brian and how he responds and changes throughout the book:

Add 10 character traits to the diagram.

These traits should be written near the time when Brian displayed these traits.

These traits should be written under the plot diagram line

Illustrate events from the text

You should add at least 5 illustrations or images that match events from the plot diagram and/or the character trait Brian is displaying

These illustrations should be in color.
